## CHAP FIVE

I would love to have dinner with you tomorrow night.  
*I know you are invited to a posh party and I want to go.*

Let's have a drink sometime soon.  
*I'd rather not see you at all.*

Please call me. If I'm not in, leave a message.  
*I'd rather you didn't.*

I'm a creature of habit.  
*I can't think of anything new.*

I just love old friends.  
*I can't make any new ones.*

I'd adore having dinner in your apartment, but not tonight.  
*I'd loathe having dinner in your apartment.*

You are quite good looking, you know.  
*You're the only game in town.*

I just love the way you dress. It is so English.  
*Must you always carry that umbrella?*

I love you.  
*Do call me when you come to New York.*

Do call me when you come to New York.  
*I plan to be in California.*

Do you know Peter Finch?  
*I know Peter Finch, and want to know if you do.*

If we go sailing it would be so nice if we could be alone.  
*Don't bring your boy-friend with you.*

I love to sail, it's so refreshing to feel the wind and the rain in  
your face.  
*I loathe sailing and the only way I can keep from getting sick  
is to stay on deck.*

Could we go to a quiet restaurant?  
*I'd rather not be seen with you.*
